

Dear Parent/Guardian.

Your child's project will be submitted to the *Talk With Our Kids About Money: Virtual Money Fair Competition*. The Virtual Money Fair involves students, either learning at home or in the classroom, selecting a money topic that is of interest to them, undertaking research to explore and learn about that topic, and then preparing a creative and engaging video presentation that showcases the outcome of their research and what they learned. This contest is open only to students ages 9 -14. *Talk With Our Kids About Money* is a Canadian Foundation for Economic Education project sponsored by Scotiabank.

For more information on this project, please visit <https://talkwithourkidsaboutmoney.com/moneyfair/>

- The best submissions will be posted on a new secure VIRTUAL MONEY FAIR website that is hosted by CFEE.
- All entries must be the students or teams' original work...CFEE reserves the right to disqualify an entry at any time if there is evidence of plagiarism, copyright infringement, etc.
- CFEE, supported by Scotiabank promises to run this competition fairly, ethically, and with integrity
- All judging decisions are final. Judging will not be influenced by "votes". Those are solely for the enjoyment of the submittor.
- Winners will be required to verify their age and knowledge of the subject.

To submit your child's project, the following information is required. Please fill in the information below to help with this process. If you have any questions, please contact us at info@cfee.org.
